Back in **1880**

... Thomas' Protein Bread ... gold-crowned and delicious beyond belief ... won women away from home baking. It was a loaf baked to perfection. A good brown all over—a loaf full of the honest flavor of unbleached wheat ... tender, even textured ... a glorious thing to see on any table. Women today find in Thomas' Protein Bread the same rich, "home-made" flavor.

P. S. TO THE LADIES — *Because Thomas' Protein Bread is starch reduced (a 1/4 inch slice contains only 29 calories), it is a "Keep Slim" Bread, too.*
